Lead from Intuition. Act with Influence.

BREAKTHROUGH TO SUCCESS

HIRE A COACH!

It's one year from today, where do you want to be in your career?

I want to...

- ✓ *Change how I am perceived as a professional expert in my field.*
- ✓ *Fast-path to a new position in my career.*
- ✓ *Lead with more influence in a senior-level role.*

"The Gutsy Leadership System™ is a gift that keeps on giving! What began as career coaching to accelerate growth and breakthrough to the next level is now a lifestyle change! Before working with Marisa, my career was decomposing. Marisa's perceptive conversations, accountability, and tough love provided the spark needed to resurrect suppressed goals and dreams. There is now momentum in my career and personal life; new ideas and opportunities are presenting themselves all the time. -- Kia Brown-Dudley, Director of Literacy and Development, The Education Partners"

Gutsy Leadership™ one-on-one private coaching is designed to support you personally and professionally. You receive the laser coaching and business leadership mentoring you need, valuable tactical tools, assignments and cheat sheets throughout, milestones, accountability checks and progress forms all based on the Gutsy Leadership System™. Marisa answers all of your questions, you discuss completed worksheets and set action plans for advancing you to the next level in your work. The coaching program allows you the flexibility you need if you can't take the time away from home or work, and it is one-on-one attention, customized to help you achieve exactly what you want.

Expect to:

- Expand your influence speaking to larger and/or more senior audiences.
- Influence with storytelling and leverage your soft skills.
- Confidently communicate, project your credibility as a professional expert.
- Wave away anxiety and fear of rejection or failure.
- Stay focused on your goals when everyday stresses take away your best time and energy.
- Clear the clutter, knock out time-management challenges to pull your goals up in priority and much more...

"Before working with Marisa I was not organized with the full circle of my life – professional to personal. I am now more structured and am accomplishing much more and consistently! Marisa has a very different approach. I very much appreciated her candor and soft and direct style. From first meeting her at a corporate leadership event she led for my firm, I began thinking about my goals and wanted to do more." – Annette Stewart Portfolio Director- RBC Capital Markets
