

The *Gutsy* Career Breakthrough Course

The Complete Online Program
to Achieve your Career *Breakthrough Goal*.

It's about Owning your Authority. Lead them.

Which of the following goals reflects most where you want to be? I want to...

- Change how I am perceived as a professional expert in my field.
- Move to a more senior-level role and remain there comfortably.
- Transition into self-employment; get my business idea off the ground.
- Eliminate fear and anxiety as I step into discovering my true purpose.
- Become a trainer or coach, package my solutions serving others.

The proven career growth system which teaches how to make *mindset shifts* about your value as a professional expert with a practical proven set of leadership and communication tools to becoming a leader of influence. It will stretch (not freeze) you to taking manageable steps towards a new level on how others *perceive* you, to consistently advance confidently and clear, unattached emotionally to how others react to you, removing the people pleasing gene.

You will be shown EXACTLY what to start doing—and stop doing to own your authority confidently, attracting opportunity. Step-by-step, not overwhelming theory and feel-good advice, this program offers simple, concrete HOW-TO tools on exactly what to do, not concepts.
